INTERNAL QUALITY ASSURANCE CELL (IQAC)
(A. Y. 2023-24) – 6th IQAC Meeting
Date: 21.08.2023, Time: 1:30 P.M., Venue: Board Room

The first IQAC meeting for AY 2023-24 was conducted on 21st Aug 2023. The following members attended the meeting.

S.No	Criterion	Designation & Affiliation	Name of Person
1	Chairperson	Vice Chancellor	Dr. Vivek kumar
2	Senior Administrative Officers	Registrar	Dr. Amit Dixit
		Dean Academics	Dr. Satender Kumar
3	Teachers	Dean, Student Welfare	Mr. Karan Babbar
		Associate Dean, Department of Agriculture	Dr. Gaurav Aggarwal
		Professor, Department of Pharmacy	Dr. Himanshu Chaurasia
		Assistant Professor, Department of Computer Science and Engineering	Dr. Amrita Arora
		Assistant Professor, Department of Mechanical Engg,	Dr. Shobit Srivastava
		Assistant Professor, Department of Computer Applications	Mr. Ankur Rana
		Assistant Professor, Department of Agriculture	Dr. Asheesh Malik
		Assistant Professor, Department of Premedical Sciences	Ms. Saloni Arora
		Assistant Professor, Department of Business and Management	Ms. Shalini Verma
		Assistant Professor, Department of Law	Mr. Akshay Garg
4	One member from Management	Member, Board of Governers	Er. Shobit Goyal
5	Nominee each from Local Society, Students & Alumni	Student Representative	Mr. Krishna Nandan, B.Tech III yr CSE
		Student Representative (Alumni)	Mr. Ankur Jain
			Mr. Himanshu Tyagi
6	Nominee each from Employers / Industrialist/Stakeholders	Industry	Mr. Naresh Garg
		Industry	Mr. Gautam Kapoor

DIRECTOR
IQAC
Quantum University, Roorkee

Vice Chancellor
Quantum University
Roorkee, India

7	One of the senior teachers as the Coordinator / Director of the IQAC	Coordinator/ Director	Dr. Manish Sharma

The Chairperson Dr. Vivek Kumar welcomed the members. Dr. Manish Sharma, Coordinator of IQAC, presented a review:

The following points were discussed in the meeting:

Vice Chancellor
Quantum University
Roorkee, India

Agenda:

1.Confirmation of Minutes from the previous IQAC Meeting

Discussion: The Previous IQAC meeting was conducted on 21-02-2023. The minutes of the meeting were read out with a formal discussion with all IQAC members. These minutes of the meeting were approved by the IQAC members

S.No.	Agenda Point	Resolution	Action Taken
1	Departmental Program Reviews	Each department to review ongoing academic programs for effectiveness and report to IQAC for further action.	Departments completed reviews and submitted detailed reports to IQAC for necessary adjustments and improvements in the program structure.
2	Infrastructure Enhancement	Proposals for infrastructure improvements to be submitted by departments.	Departments submitted proposals, and necessary upgrades were initiated, particularly in laboratories and IT infrastructure.
3	Faculty Development Programs	Regular faculty development programs to be organized with focus on teaching methodologies and research.	A series of faculty development programs were organized, emphasizing innovative teaching techniques and research skills.
4	Student Feedback Collection and Analysis	Student feedback to be collected and analyzed for course and curriculum improvement.	Feedback was collected from students, and departments began implementing changes based on the analysis to improve teaching and course delivery.
5	Research and Development	Increase focus on research initiatives and collaborations with industries for joint projects.	Research collaborations were initiated, and departments began engaging with industry experts to work on joint research projects.

DIRECTOR
IQAC
Quantum University, Roorkee

Vice Chancellor
Quantum University
Roorkee, India

6	Industry Collaborations and MoUs	Review existing MoUs and explore new partnerships with industry for internships and collaborative projects.	Existing MoUs were reviewed, and new partnerships were explored. Some new MoUs were signed with key industry players to provide students with internships and research opportunities.
7	Skill Development and Value-Added Programs	Organize additional skill development workshops and value-added courses in emerging technologies.	Additional workshops and value-added programs were conducted, focusing on current industry trends and enhancing student employability.
8	Alumni Engagement	Strengthen alumni engagement through meetups and networking events.	Alumni engagement activities were organized, including an alumni meet and regular networking sessions, increasing aJumni involvement in mentoring and career guidance.
9	Campus Placements	Placement cell to organize pre-placement activities such as mock interviews, resume building, and career counseling sessions.	The placement cell conducted mock interviews, resume building sessions, and career counseling workshops, leading to increased student preparedness for placement opportunities.
10	Community Outreach and Social Responsibility Programs	Organize community outreach and social responsibility programs with increased student participation.	Multiple community outreach programs were organized, with higher levels of student involvement, collaborating with local NGOs and government bodies to enhance social impact.
11	Extracurricular and Cultural Activities	Plan more extracurricular activities to promote student engagement and participation, including cultural events and competitions.	Cultural fests and national-level competitions were planned, with a focus on broadening student engagement through extracurricular activities.

2. Discussion on Multidisciplinary Programs, Internships, and Research Projects
Resolution: The progress of multidisciplinary programs, internships, and research projects was reviewed. It was resolved that each department will finalize the structure of these programs, ensuring cross-department learning opportunities, with smooth implementation planned for the upcoming semester.

Departments were directed to finalize the structure for multidisciplinary programs, internships, and research projects.

3. Life Skills and Soft Skills Workshops
Resolution: The life skills and soft skills workshops were deemed beneficial. It was resolved

DIRECTOR
IQAC
Quantum University, Roorkee

Vice Chancellor
Quantum University
Roorkee, India

to organize additional workshops focusing on leadership, decision-making, and problem-solving to further enhance student capabilities.

*In the current semester, **11 activities** focused on life skills and soft skills were successfully conducted, contributing to the overall development of student capabilities.*

Annexure 1

4.   Value-Added   Courses   and   Certification   Programs
Resolution: It was resolved to introduce value-added courses on emerging technologies. Each department will collaborate with industry experts to identify relevant courses and ensure the programs are aligned with current trends.

A total of 31 VAC programs were conducted, with 1,693 students enrolled. Out of these, 1,268 students successfully completed the programs and received their certificates.

Annexure 2

5. Placement Cell Activities, Including Resume-Building and Skill Development Workshops
Resolution: Positive feedback was received for the Placement Cell's initiatives. It was resolved to schedule additional Boot Camps, mock interviews, and career counselling sessions before the placement season.

A total of 11 career counselling activities were conducted.

Annexure 3

6.   Review   of   Existing   MoUs   with   Industries   and   Academia
Resolution: The review of existing MoUs highlighted fruitful collaborations. It was resolved that departments will follow up on MoU activities and provide progress reports to the IQAC.

A total of 10 MOUs are signed and 45 MOUs are exsisting MOUs in the AY 2023-24.

Annexure 4

7.   Planning   of   Collaborations   for   Student   Internships   and   Joint   Research
Resolution: The need to increase collaborations for student internships and joint research was identified. It was resolved that departments will finalize new collaborations by the next meeting.

8.   Faculty   Orientation   Program   on   ERP   System   and   ICT   Tools
Resolution: It was resolved to organize follow-up training sessions for faculty members who joined in the AY 2023-24 and require additional support with ERP and ICT tools, following the successful completion of the orientation program.

9.   Feedback   Collection   and   Analysis   for   the   Previous   Semester
Resolution: The feedback from students and faculty revealed overall satisfaction, with some

DIRECTOR
IQAC
Quantum University, Roorkee

Vice Chancellor
Quantum University
Roorkee, India

areas for improvement. It was resolved that departments will address the highlighted issues and make necessary improvements in course content delivery and others.

10. Planning for an Industry-Academia Joint Activities
Resolution: It was resolved to organize an industry-academia joint activities by, inviting key industry leaders and academic experts to foster collaboration and bridge the gap between academia and industry expectations.

Several guest lectures and webinars were conducted featuring key industry leaders and academic experts.

<u>Annexure 5</u>

11. Organizing Constitutional Awareness and Gender Sensitization Workshops
Resolution: It was resolved to plan additional workshops for the semester, focusing on broader topics such as gender equality and human rights.

Workshops on gender equality and human rights have been scheduled for the semester, with expert speakers engaged to lead the sessions.

12. Community Outreach Programs and Social Responsibility Activities
Resolution: The success of previous community outreach activities was noted. It was resolved to organize more such programs, with increased student involvement, and collaboration with local NGOs and government bodies.

A total of 26 community outreach activities and Social Responsibility Activities were successfully organized, involving increased participation from students.

<u>Annexure 6</u>

13. Discussion on Additional Extracurricular Activities for the Semester
Resolution: The need for more extracurricular activities was discussed. It was resolved to plan and schedule additional activities, such as cultural fests and national-level competitions, to encourage broader student participation.

Plan and schedule of was proposed for additional extracurricular activities, including cultural fests and national-level competitions, to enhance student engagement and encourage broader participation across the student body.

14. Any Other Point with Permission of the Chair
Resolution: The Chairperson invited further discussions.

Student representatives suggested increasing interaction between students from Mechanical Engineering (ME), Computer Science Engineering (CSE), and Civil Engineering (CE) for better peer guidance. They also recommended enhancing alumni interactions to share their industry experiences and provide insights into current industry requirements.

DIRECTOR
IQAC
Quantum University, Roorkee

Vice Chancellor
Quantum University
Roorkee, India

Industry representatives proposed that counselling sessions be organized specifically for Mechanical and Civil Engineering students to raise awareness about various opportunities available in their core branches.

Director IQAC

Vice Chancellor
